01 / ABOUT

Who We Are

Every shipment represents more than freight — it represents promises made to customers, production schedules, and businesses that depend on dependable transportation.

Founded by experienced industry leaders, Air to Port was built on one principle:

Deliver every load with the same care and urgency we'd expect ourselves.

We're not just moving freight — we're building lasting partnerships.

02 / SERVICES

What We Move

- › **Cross-Border Freight**
U.S. & Canada, end to end.
- › **Air Freight Pickup & Delivery**
When speed matters most.
- › **Long-Haul Truckload**
Flexible capacity, tailored.
- › **Automotive Logistics**
Built for manufacturers & suppliers.
- › **Linehaul Operations**
Efficient distribution moves.
- › **Dedicated Capacity**
Consistent support that scales.

03 / DIFFERENTIATORS
